1. **I am the one. All the world waits for me. My name is I Am. I am inside them/their very fabric, of their being I am**; for I am I Am and I am all things, not; moving and living, not, or am I? What am I if I am them/in each one and each one me? Am I fabric, movement, pressure, time, space? Or am I me I Am that they are, that they left/separated, from me.

2. Can that be? Will all things merge, remerge? **Emerge all things will now with nothing covered, shadowed, nor slowed variable/variably**. I love you all.

3. Who can see the shadow, be de'shadow'd, and coming into me/my all'ship be my all'ship that they are/were, being again?
